

Project 6 Images:

A terminal window with a dark background and light text. The title bar at the top reads 'zpaulson@localhost:~'. Below the title bar, there are three tabs, each labeled 'zpaulson@localho...' followed by a close button 'x'. The main area of the terminal shows a sequence of commands and their prompts: '[zpaulson@localhost ~]\$ vi employee_script.sh', '[zpaulson@localhost ~]\$ chmod +x employee_script.sh', and '[zpaulson@localhost ~]\$./employee_script.sh'. The cursor is at the end of the last command. On the left side of the terminal window, there is a vertical scrollbar. At the top center of the terminal window, there is a small icon of a cursor pointing up and down.

```
zpaulson@localhost:~  
[zpaulson@localhost ~]$ vi employee_script.sh  
[zpaulson@localhost ~]$ chmod +x employee_script.sh  
[zpaulson@localhost ~]$ ./employee_script.sh
```

A terminal window titled 'zpaulson@localhost:~' with three tabs. The active tab shows a sequence of commands: 'vi employee_script.sh', 'chmod +x employee_script.sh', and './employee_script.sh'. The output of the last command is 'Number of employees eligible for social security benefits: 7'.

```
[zpaulson@localhost ~]$ vi employee_script.sh
[zpaulson@localhost ~]$ chmod +x employee_script.sh
[zpaulson@localhost ~]$ ./employee_script.sh
Number of employees eligible for social security benefits: 7
[zpaulson@localhost ~]$
```
